

*My name is Tuihu, and together with my wife Shuli,  
we want to welcome you in our restaurant.  
This restaurant opened in 1973, established by my father and mother,  
and we took over in 2004.*

*The style of our kitchen originates from the former Dutch colonies of the East Indies.  
After the independence of Indonesia, a lot of Dutch people returned to the Netherlands,  
taking home a preference for an Eastern style of food.  
The Chinese people adapted this and created the Chinese-Indonesian style kitchen  
which is still very popular these days.*

*We offer a wide variety of dishes, from Dim Sum to Indonesian rice tables,  
Cantonese dishes and Szechuan dishes.  
If you like we can also make you another variation of dishes.*

*We hope you enjoy your stay in our restaurant and wish you a pleasant dinner.*
